Official web page, email and mobile

Abstract

(in maternal language). The abstract captures the principles and content of the paper, captures the essential information with the exact source. It has only informative characters. It captures the qualitative and quantitative information contained in the document. The abstract should be 10 pt Times New Roman in approximately 150 words.

Abstract

(in English language).....

Keywords

Please include significant words for the interpretation content of the paper in maternal language - maximum 5.

Keywords

(in English language).....

Introduction, Methods and Results

(in maternal language) The author briefly describes the main points of topic. Defines its innovative ideas or approaches. In the end, the author presents the results. The author will also state his own approach to the solution, what is the novelty of the innovation and what are the trends in science and company environment.

These parts of the contribution are recommended

- starting points and description of the current state of the issue, interpretation of related terms, goals and tasks.
- own proposals and solutions, expected results
- methodology and own research procedures and solutions
- summary of results and their impact for professional practice

References

(in maternal language) It is necessary that the authors cite separately key information and literary sources (min. 3 to 5 sources) according standard STN / ČSN for publishing and citations of literature, as it is used in scientific publishing. At the same time, it is recommended to include their own citations - the authors links to their already published articles.

PUBLISHER'S INTERNAL INSTRUCTIONS FOR AUTHORS:

Each author who is interested in speaking and presenting his paper at the conference submits to the proceedings a separately prepared short paper according to this template. The author will also provide his slide presentation for publication in proceedings of papers and presentations. Please strictly adhere to the prescribed template, otherwise the paper will not be accepted and will not be included in the proceedings of papers and presentations.

Papers as well as presentations should be in English or maternal language in portrait A4 format 11 pt Times New Roman.(paper). The page setting is 3.0 cm at the top and bottom, 2.5 cm at the left and right. The length of the submitted abstract of the paper should not exceed a maximum of 10-15 pages; resp. Documents should not have pages numbered. The structure and content of individual papers are subject to the relevant internationally accepted standards for the creation and design of scientific papers, the editor will not interfere with the content and structure of the paper during editing.

WARNING!!! The paper must be sent as an attachment by e-mail in **MS Word** format using Windows 97, or in higher versions to the email address: energofutura2023@gmail.com by **10.05.2023 at the latest** for the needs of further graphic and formal processing and modifications.
